

Directions to the Office: 3483 S. Evans St., Ste. B, Greenville, NC 27858

The office is located in an office complex along South Evans St., between Greenville Blvd. and Firetower Rd. (very close to Winterville, NOT on the part of Evans St. near downtown Greenville). There are three office complexes within sight of each other. Mine is in the middle.

If you're on Evans St., and you've passed Target and crossed over Greenville Blvd. Going Towards Winterville and Firetower Rd.:

If you're coming from Greenville Boulevard, you'll **pass** Best Buy and Lowe's Foods on your right side and WNCT-TV on your left. Keep going, you're maybe ¼ to ½ a mile away. You'll come up and see an office complex and a green street sign that says "Victoria Court." **Do not turn in at the Victoria Court street sign**, instead, you will turn at the **next entrance about 80 feet away, without a green street sign** where you see the brown brick pillars that say "Bedford Commons."

My office is the second building on the left. The door is tucked away perpendicular and right beside the Aflac office. You'll see their logo on the door. We're right beside it-Suite B. Look for the colorful little flag sticking up from the ground in front of the office!

If you're on Evans St., coming from Winterville, Kinston and you've turned off of Firetower Rd:

You'll pass several apartment complexes on both sides of Evans St. and a small office complex with Keller Williams Real Estate and Jump Fit. **Keep going.** You'll turn in about 150 feet or so. Pass the green street sign that says "Caversham" and turn right about 30 feet away at the brown brick pillars that say "Bedford Commons." Once you turn in, the directions are the same as above.

When you arrive, please relax in the waiting room until you are greeted by someone from the office. Often, we're finishing up a session with another client, so to maximize privacy, please wait here.
